

RULES & EQUIPMENT LIST

Pentwater Junior Sailing Program

These rules are designed for one purpose and that is
for your safety and well-being!

1. **At all times students must wear and have secured their Certified U.S.C.G. approved life jackets.**
2. There will be no horseplay around equipment and class area. Use of profanity prohibited.
3. If for any reason you are separated from the fleet or cannot sail your boat back to the dock; always stay with your boat. No “on purpose” tip over’s allowed unless instructed to do so by your instructor. Never jump out of your boat unless instructed to do so by the instructor. Obey whistle warnings at all times. (Instruction will be given first day of class on whistle meanings.)
4. All students will be required to stay until their boat and equipment is stored or handled as instructed.
5. No jewelry allowed.
6. **We Highly recommend wearing water shoes/sandals during class.**
7. In case of inclement weather and class is cancelled there will be a notice posted on white dock box next to building. You can also call Sue Bainton (231) 869- 8641 to check is class may be cancelled. Rain, extremely high winds and temps below 60 degrees are common reasons class is cancelled.
8. A student may be asked to sit out a lesson if behavior warrants it, the parent will be notified. All students must “check out” with instructor before leaving during or at the end of class.

CLOTHING AND EQUIPMENT

MANATORY: Certified Coast Guard approved P.F.D. types I-III We have a few available, but if you have your own it would be best to bring it.

Water shoes/sandals HIGHLY RECOMMENDED!!

Suggested: Sunscreen, towel, sunglasses and hat.

Students should also dress appropriately for weather: i.e. on cool days students may want to bring a hooded sweatshirt or a light layered articles of clothing. Please bring an extra set of clothes so they can change if their sailing clothing gets wet.
